What our clients say about us

Live Theatre

We've partnered with Illumination for several of our live shows and their consistency is unmatched. From complex rigging to ambient lighting design, they handle it all. Their team is flexible, quick to respond, and a genuine pleasure to work with.

Wedding Party

Illumination brought our wedding vision to life with stunning lighting and a smooth installation process. The venue looked magical, and their attention to detail really made the difference. Guests were blown away! Highly recommend them for any event, big or small.

Corporate Product Launch

We hired the Illumination Group to provide lighting for our corporate event and they exceeded all expectations. The setup was seamless, the lighting looked incredible, and their team was professional and proactive throughout. We'll be working with them again.

Installation Client

On behalf of the association, I'd like to thank your company for the recent work carried out at the community centre which concludes the biggest upgrade the performance lighting has received in 50 years. The association are confident that you have designed and installed a safe and robust system that now complies with modern standards and that with planned maintenance and testing will continue to do so for many years to come.

The success of the project is in no small way down to you and your staff's collaborative and professional approach and we look forward to working with you in the future when we embark on the next phase of the works.

Contact Us

We'd love to hear from you. Whether you're planning an event, need equipment hire, or require professional installation services, our team is here to help bring your vision to life.

At The Illumination Group, we pride ourselves on delivering reliable service, creative solutions, and high-quality results across every project we take on.
